

COVID-19 Protocols

As the government updates rules, regulations and any information, our policies will evolve with them. However, as per government regulations, right now our policies are as follows:

Passports

Children aged 12+

Children ages 12+ must be double vaccinated to participate in any of our programs. Their vaccine passports must be uploaded as a profile picture for their accounts through our parent portal.

Children under 12

Parents who wish to remain in our lobby during their child's class must be double vaccinated and will be asked to show proof of vaccination. These rules apply only to parents wishing to remain in our facilities.

Drop-off and pick-up will be allowed without proof of vaccination. For un-vaccinated parents wishing to still watch their child in their class, luckily we are a glass-front facility and we therefore welcome you to watch from within the mall. The day before

Masks

Children under 6

As of right now, children under the ages of 6 are not required to wear masks in our facilities or in our studios.

Children aged 6+

Currently, children aged 6+ are required to wear masks at all times within our facilities.

Parents, Staff & Instructors

All parents, staff and instructors will be required to wear masks at all times.

Lobby Rules

Although our seating area is open in our lobby, we are limiting the amount of parents allowed in at once. Given current COVID restrictions, for safety reasons, and to avoid crowding, we are limiting it to **1 parent per dancer allowed in our lobby at once.**

We do, however, encourage other family members to watch from inside the mall, outside the glass!

Siblings under 3 will be permitted to stay with 1 parent in our lobby.
