NEW CLASS ALERT!!

BROADWAY STARZ!

SINGING - ACTING - DANCING

Our Broadway Starz program is for our superstars aged 3-12 looking to learn how to sing, dance and act! In these classes, students will learn new songs and work on their rhythm and musicality!

They'll do a series of acting exercises and short choreographies as well!

Every class they will focus on something new!

Students in this progam will be working toward a show in both sessions where they will showcase what they've learnt through a musical theatre number!
